## Elba City Council Vows To Fight Proposed Closing Of Railroad

The Elba City Council committed itself to cover the legal cost of continuing the fight for existing railroad service to Elba. Mayor Bob English announced publicly the compliance with the council's previous request that City Attorney Mark Vaughan secure an estimate on the cost of engaging a Washington, D.C. law firm to represent the city's interest in this matter. English said that closing the branch line to Elba would cost from \$10,000 to \$20,000 in fees to challenge the closing action. The wide variation is due to an unknown amount of legal work the challenge will require, once started.

Council members voiced concern over the cost, questioned if it was of any use, but - each member present voted to make the effort as long as there was a single ray of hope for success. Mayor English estimated that closing the branch line to Elba

week at a cost of about \$500, but no further action would be taken unless the council approved. After getting the unanimous consent of the council, English said he would authorize the city attorney to proceed immediately.

Elba Police Chief John White told council members Tuesday night that animal control continued to be the most pressing project of his department. According to White, an average of 25 stray animals a week

are being captured by the animal control officer and the trapper. These are mostly cats and dogs. White said. He also had high praise for the new dirt system now being used, noting they were capturing some dogs that had otherwise proven impossible to corral.

The council approved the continuing use of federal revenue sharing funds for fire and police protection as has been done in the past.

## D.A. Proposes Expansion Of Enterprise Courthouse To Add Office Complex

The Coffee County Commission met in regular session on Monday, September 10, at the courthouse in Elba and heard District Attorney Joel Folmar propose construction of an addition to the Enterprise courthouse to house the district attorney's offices and give the sheriff's department extra room.

According to Folmar, the addition could join the rear of the courthouse and could later be expanded to include a second floor. The cost of construction would reportedly be paid by the county's share of the fee charged in the new "Hot Check Program" and the rent now paid for offices to house the district attorney.

Under the new "Hot Check Program", an individual issuing a worthless check would be allowed to make restitution out of court and avoid having a criminal record. The D.A.'s office will implement the program and receive a \$40 fee, of which 35 percent will remain in the county. This amount, added to the rent now paid (\$330 a month) would be used to finance construction.

"The addition of a third judge in this circuit has necessitated hiring an additional man," stated Folmar, "and he needs an office. He is now using my office in Enterprise, and I

don't have one. The new Hot Check Program will bring in approximately \$9,000 to the county, and by adding \$4000 in rent, the county could save - and you can see it would pay for the building in only a matter of years."

Folmar recommended the use of inmate labor to help cut construction costs and asked the commission for an answer by October 1.

Probate Judge Marion Brunson said, "I think is an outstanding way to improve the courthouse at no expense to the taxpayers." However, the commission discussed the proposal and stated a lot of questions needed to be answered prior to making a commitment.

The commission heard Judge Brunson to meet with the county maintenance supervisor and an architect and report back with a cost estimate at the next meeting.

The meeting began at 9 a.m., with the first order of business being the opening of various bids.

Wiregrass Construction Company was the low bidder on resurfacing County Road 25 with "G treatment". The bid of \$43,111.37 was accepted over the bid of \$44,985.78 from Hooper, Inc.

Proposals on health insurance were discussed, with Blue Cross -

receiving welfare benefits through the Aid to Dependent Children program. The child support collected under those circumstances helps to offset the cost of the ADC program, which provides small monthly payments to about 300 families in Coffee County.

We are to provide child support services to families that don't qualify for welfare benefits," said the director. We assist in identifying others of children born out of wedlock, in locating absent parents and in working with prosecutors and

courts to establish and enforce support obligations.

Support collected for families that don't receive welfare, he said, goes directly to the family, not the state. There are new state and federal laws that promise to strengthen enforcement of child support obligations, both for families who qualify for welfare and families who don't.

An important new law allows courts to order employers to deduct child support obligations from wages if the parent gets 30 days behind in making payments. The income withholding law, Smith said, is much stronger than garnishment because it applies not only to past debts but to future obligations as well. The child support continues to be taken out of the parent's wages as long as the support obligation exists.

In recognition of Child Support Month, county officials of the Department of Pensions and Security, along with prosecutors and other law enforcement officials, are participating in a special campaign to emphasize child support obligations and enforce payment of support.

"People owe it to their children to pay support," said Smith. "When parents don't pay, their children suffer. Often the family ends up on welfare, with the taxpayer footing the bill."

For the quarter ending June 30, 1984 Coffee County collected \$23,155.74. This figure represents \$44,426 children that were helped through the child support program. For this reporting period Coffee County ranked third in the state, due to the excellent cooperation of the District Attorney's Office, Coffee County Pensions and Security, and Judge Gary McAlley, Coffee County District Judge. In fact, Judge McAlley said, "I'm proud of our force primarily responsible for Coffee County's excellent rating."

Shirley Paul, a 24-year-old woman, was very happy and surprised to have been chosen, and was pleased to have the opportunity to serve on the program, especially with Dr. Mosley. He added serving on the program was important to him, and it would allow the Wiregrass area to have an input into vital programs and national policies concerning education.

## September Is Child Support Month In Alabama

Governor George Wallace has proclaimed September Child Support Month in Alabama.

Ron Smith, director of the Coffee County Department of Pensions and Security, says the governor's action calls attention to the obligations of absent parents to support their children.

In Alabama, county offices of the Department of Pensions and Security administer the state's child support enforcement program. In doing so, the department works closely with

prosecutors and courts.

Shirley Paul, a 24-year-old woman, was very happy and surprised to have been chosen, and was pleased to have the opportunity to serve on the program, especially with Dr. Mosley. He added serving on the program was important to him, and it would allow the Wiregrass area to have an input into vital programs and national policies concerning education.

## Brainstorms.....

With Ferrin Cox

The Elba Tigers continue to be a winning football team, even if they did give coaches a scare Friday night after leading the game 20-0. It is awful hard to think about when you are apparently breezing to a big win. Then when the tables turn, it is sometimes too late for the proper reaction. We expect the Crimson Tide could give us a first-hand report on that matter.

We rushed the Auburn-Texas game a little last week when actually they play this Saturday at 7 p.m. . . . on the tube. We also think Alabama will be on the tube again this week with a Saturday afternoon game; however, we understand it will only be for those with cable or who have one of those big dishes in the yard.

A news article in Tuesday's *Enterprise Ledger* reported the successful efforts to find a missing 68-year-old German woman who was visiting her daughter at Level Plains. They found her stuck knee-deep in riverbank mud three hours after she wandered away from her daughter's home. We salute those many nameless volunteers who stopped their own quest for life to search and find this woman who surely would have died standing there in the mud if she hadn't been rescued.

There will be a third circuit judge assigned to the Elba-Enterprise-Troy district in the next few weeks. Speculation is high and wild over just who the person for the job will be. We have a guess, but ain't gonna print it here; however, we will be glad to discuss the matter and swap opinions with most anyone interested in the matter. The latest unofficial official rumor we hear is that the appointment will be made official on or about October 1, the time set by the special law for the judgeship to be in existence.

The weather has been beautiful in this area for the past few days with summer winding down and fall trying to sneak in again. The full moon on those clear skies hasn't hurt the beauty of the area a bit, either. My only regret is that all this beauty is not really appreciated by enough of us, especially a certain newspaper writer who would like to slow down and smell the roses a bit more often.

Peanut picking is in full swing now, and driving through rural areas with the smell of freshly-dug and/or picked peanuts is beautiful to all of us country boys. If you haven't noticed it lately, we urge you to take a short drive out into the countryside any evening this week and/or the next, and you will know what I mean.

We helped a friend hook up his own converter to the new cable system last Friday, and left him as excited as a kid with a new toy. The satisfaction of successfully completing a job, coupled with the large array of fresh TV stations, placed him on Cloud 9. However, we suspect that when his wife returned home, it was a soap opera as usual, and C-span, ESPN, etc. might as well have been shut down.

The voter turnout last week was pitifully low, with many voters saying to us that they really weren't interested in any of the races. With fewer races and fewer candidates in the September 25 runoff, that matter could get even worse. We urge the voters to get out and vote; that is unless you want us nuts making your decisions for you.

Elections . . . folks get mad going to the polls and having to declare their intentions to vote Democratic or Republican. Also, we know people who wanted to vote in the U.S. Senate race last week on the Republican side but didn't because of the determination to be heard in the local commissioner races. A solution to this would be to place the commission races on a non-partisan basis as we do our city elections. That way a voter could participate in the commission races and still be part of the party's selection of state and national candidates.

During the campaign for the just-completed primary election we kept hearing reports that a certain candidate was politicking with the platform that *The Elba Clipper* was fighting him. He reportedly then changed it to a statement that we beat him. Well, we appreciate the vote of confidence in our ability, but even in our wildest dreams, we don't believe we did - or could - beat (or elect) anyone. If a candidate wants to politick that way, it is OK with us, but to actually believe it is comical. We cast our vote based on our assessment of the candidates and are on the losing side ourselves more than 50 percent of the time - or so it seems. We suggest future candidates get some real issues rather than use things sensible, intelligent people are known to laugh about.

## Police Report

The Elba Police Department reported another active week with a total of six arrests and nine traffic tickets logged. The arrests were for forgery (3), assault, disorderly conduct and public intoxication, while the tickets were for speeding (2), reckless driving (2), passing in prohibited zone, swerving tag, failure to stop at stop sign, improper tag and driving under the influence.

## Miss Hudson — Mr. Baker United In Marriage

Miss Sharon Lynn Hudson, daughter of Mr. and Mrs. James Harold Hudson, and Bobby Winfred Baker, son of Mr. and Mrs. Winfred Baker, were united in marriage on Saturday, August 4, 1984, at six o'clock in the evening at the First Baptist Church of Elba. Dr. Pat McFadden, pastor of the church, officiated at the candlelight ceremony.

A program of wedding music was provided by Mrs. Paul Kinney, organist, and Mrs. Jackie Tucker, pianist. Mr. Kevin Lanier of Elba and Miss Nancy Taylor, Ft. Worth, Texas, called the congregation to worship by singing "Holy Spirit, Thou Art Welcome". After the seating of the mothers, Miss Taylor sang "You'll Never Walk Alone". During the ceremony the bride sang "The Wedding Prayer".

Following the ceremony Mr. Lanier sang "Only the Beginning" and Miss Taylor sang "In This Very Room". Mr. Lanier then led the congregation in singing "Blest Be The Tie". "Trumpet Voluntary" by Purcell was played for the procession of the wedding party. The bride entered to the music of Wagner's "Bridal March" from "Lohengrin". "Wedding March" from "A Mid-Summer Night's Dream" by Mendelssohn was performed as the recessional music.

The doors of the church were decorated with satin wreaths in the bride's chosen colors of lavender and purple. The wreaths were adorned with white doves and white wicker bells. The guests were greeted in the vestibule by Mrs. Kenneth Baker, sister-in-law of the groom, who attended the bride registry. A table skirted in lavender silk and overlaid with an Army-Navy lace and linen cloth displayed an arrangement of lavender and white pom poms interspersed with white candles. Also on the table was a counted cross-stitched picture, made by the bride, announcing the wedding event.

Each window in the sanctuary was adorned with a white dove and white tapers accented with greenery. Family pews were marked by lavender baskets with small floral arrangements of lavender and white pom poms. Alternating pews were decorated with purple satin bows. The altar was accented in the light of 150 candles set in brass candelabras which were arranged among palms and fern and accented with bows. The chancel rail was accented with fern and accented with baby's breath. A large arrangement of water lilies, white carnations, lavender and white gladiolus, gardenias, anemones, dahlias and ruffled anemones completed the altar decorations.

The double prayer bench featured a white Bible presented to the bride upon her graduation from college, by her social sorority, Alpha Gamma Delta.

Escorted to the altar by her father, the bride was given in marriage by her parents and brother. She wore a gown of white organza enhanced with Chantilly lace which overlaid the fitted bodice shaped with a basque waist. The sweetheart neckline outlined the sheer yoke which was embroidered with Chantilly embroidery. The collar of the lace circled the neck, and the Juliet sleeves were of the Chantilly lace. The bouffant skirt, which swept into a chapel-length train, was completely circled with a wide border of the Chantilly lace topped by a band of reembodyered lace applied in garlands. The bride wore a fingertip veil of French illusion, which featured a Juliet cap of Schiffler embroidery.

Her bouquet was a cascade of bridal white Spanish roses, blossom spray, butterfly lilac and gypsophila.

Miss Donna Hudson of Elba served her cousin as maid of honor. Bridesmaids were Mrs. Kenneth Calhoun and Mrs. Mike Carney, Elba; Mrs. Don Cureton, Panama City, Florida; Mrs. Mark Yancey, Houston, Texas; Mrs. Jeff Arnold, Burke, Virginia; Mrs. Paul Reeves, Houma, Louisiana; and Mrs. John Stephens, cousin of the bride, of Dothan. The maid of honor and bridesmaids were gowned alike in lavender, floor-length, taffeta dresses. These featured a round neckline with a fitted bodice shaped with a basque waist and full skirts. Each attendant carried a white lace parasol with an arrangement of silk flowers in shades of lavender and purple. In their hair rested a dainty butterfly of lavender piping and baby's breath.

Mr. Winfred Baker of Elba served his son as best man. Groomsmen were Kenneth Baker, Keith Baker and David Baker, brothers of the groom; Jamie Hudson, brother of the bride; Freddie Davis, David Dorsey and Pete Davis. They wore tuxedos of gray with gray-striped shirts. Lavender rosebuds were their boutonnieres.

For her daughter's wedding, Mrs. Hudson chose a floor-length gown of pink chiffon. The gown featured a ruffled collar, a pleated bodice and long sheer sleeves, and was tied at the waist with a matching sash. Her corsage was of lavender gardenias.

The groom's mother wore a floor-length gown of seafoam green crepe de chine with long sheer sleeves. Her corsage was also of lavender gardenias.

As guests left the church, the bride and groom greeted each other in the foyer.

The wedding was directed and decorated by Mrs. James Grimes and Mrs. Bobby Hudson.

Out-of-town guests included Mrs. Bruce Danzey, Mr. and Mrs. Emily Vaughan, Mr. and Mrs. R.E. Vaughan, Mr. and Mrs. Charles Jones, Emily and J.K.; Miss Heather Harrison, Mrs. Tommie Jernigan, Mr. and Mrs. Ronnie Clark, Miss Patti Lawson and Mr. Mark Barbaree of Montgomery; Mrs. and Mrs. Richard Geis, Mr. and Mrs. Lennie Dispennette and Lauri, Mr. and Mrs. Gary Harrison, Mr. Kirby Crampton, Mr. and Mrs. Phillip Martin, Mr. and Mrs. Harold Parker, Mrs. Gerald Crook, Mrs. Nina Carpenter, Mr. and Mrs. Mike Kauchick, Enterprise; Mr. and Mrs. James Meacham, Millbrook; Mrs. Martin Barbaree and Misty Banks; Mrs. Thelma Austin, Miss Jamie Bailey, Mrs. Sarah Baker, Opp; Miss Linda Carroll, Mr. Scott Denman, Troy; Miss JoAnn Brazelton, Mr. Brett Scarborough, Birmingham; Mr. and Mrs. Chris Rudock and Christopher, Tuscaloosa; Mrs. Vance Bolton, Decatur; Mrs. J.W. Baker, Babbi; Mr. John K. Stephens, Dothan; Mr. and Mrs. Howell Kirkland, Mobile; Mr. Freddy Clark, Selma; Mr. Paul Reeves, Houma, Louisiana; Miss Gypsy Morrow, Mary Esther, Florida; Mrs. Mark Yancey, Houston, Texas; Mrs. Tina A. Thomas, Atlanta, Georgia; Mrs. Wilma A. Smith, Pensacola, Florida; Mrs. Wendy A. Cobb, Bay Minette, Miss Shaw Johnson, Paxton, Florida; Mr. and Mrs. R.E. Castater Sr., Orange Park, Florida; Mr. and Mrs. R.E. Castater Jr., Nicole, Noel and Shawna, Pembroke Pines, Florida; Mr. and Mrs. Dan W. Taylor, Alabaster.

Immediately following the ceremony, Mr. and Mrs. Hudson entertained guests at a reception in the fellowship hall of the church.

Guests were greeted by Mr. and Mrs. Wallace Taylor, aunt and uncle of the groom, and Mr. and Mrs. R.D. Harrison, all of Elba. In the foyer was a display of baby pictures of the bride and groom. Ferns, wicker furniture and a lovely standing basket of roses from the gardens of Mrs. Jimmie Lee Poole and Mrs. J.D. Hudson adorned the foyer.

Upon entering the fellowship hall, guests enjoyed a unique quilt made for the couple by members of the bride's family, with quilt squares made in several states and assembled by an aunt of the bride, Mrs. R.E. Vaughan of Montgomery. The bride's table, skirted and overlaid with an imported lace cloth, was centered by the three-tiered wedding cake, which was decorated with miniature silk rosebuds of lavender and white. The cake was completed by the anniversary layer adorned with three satin wedding bells. On each end of the table was a three-branched silver candelabra holding white tapers and tied with purple satin ribbons. Mrs. Jimmy Cook, Miss Gypsy Morrow and Mrs. Duane Rhodes served the bride's cake.

The groom's table was covered with a brown cloth and draped with an erin hand-embroidered cloth made by the bride. The two-layer chocolate cake was topped with a large peanut butter peanut. Peanut vines draping from a brass bowl accented the table. Serving the cake were Mrs. Donald Dunaway and Mrs. Ronnie Clark, cousins of the groom. The punch tables were covered with lavender cloths and topped with white lace cloths. Punch was served from silver punch bowls by Miss JoAnn Brazelton and Miss Carol Mooney.

The buffet table was skirted with a white cloth and overlaid with lavender lace. Guests helped themselves to refreshments of assorted finger sandwiches, chicken fingers with spicy dip, ham and biscuit, delectable relish trays with dip, cheese ball and crackers, marinated weiners, ham rolls, tea time tassies, meringue teasers, pastries with cream cheese and pepper jelly, cheese straws, nuts, mints and a watermelon basket filled with assorted fruits. All appointments were of silver.

Arrangements of lavender, yellow and white pom poms were placed at points of interest, with potted ferns accented with baby's breath used throughout the fellowship hall. Wedding bell rice bags and white doves filled with birdseed were distributed by Misses Amy Baker, Wendy Baker and Brittany Baker, nieces of the groom.

Assisting with the reception were Mrs. Ellis Brazelton, Mrs. Kasper Anderson, Mrs. Floyd Morrow, Mrs. Jerry Hudson, Mrs. Bill Davis, Mrs. Charles Jacobs, Mrs. Bob Castater, Mrs. Wade Mallory and Mrs. R.D. Harrison.

For her honeymoon, the bride changed into a lavender plaid skirt and lavender blouse. Matching shoes and a lavender corsage completed her ensemble.

After a wedding trip to New Orleans, the couple is at home in Elba.

**RE-NUPTIAL PARTIES**  
After-Rehearsal Dinner  
A delicious meal of catfish, cole slaw, hush puppies, french fries, relish trays and lemon pie was enjoyed by approximately 60 family and out-of-town guests.

### Elba Study Club Holds First Meeting Of The Year

The Elba Study Club held its first meeting of the club year on Wednesday afternoon, September 5, at the Elba Public Library. Mrs. Durrell Hudson and Mrs. Edlow Bryan were hostesses for the meeting.

After the members arrived a delicious plate of chicken salad sandwiches, potato chips, tart tarts, and fruit punch was served to sixteen members and one visitor. Mrs. Edlow Bryan, club president, presided over the meeting and introduced the special speaker, Mr. Joe Claypool, newly appointed administrator of the Elba General Hospital.

Mr. Claypool spoke on his experiences as a hospital administrator and answered various questions concerning health care and facilities at the Elba hospital. He stressed the fact that Elba has one of the best small town hospitals and emphasized the caring aspect of the nursing care, and the cleanliness of the total facility. Mr. Claypool invited every-

one to visit the hospital at any time and to call on him for any problems they might have.

A short business session followed the program during which routine business was conducted. Mrs. Bryan asked the Condolence Committee to select a book to be presented to the library in memory of Mrs. A.B. Cowart, a recently deceased member. The club voted to make a contribution to the Coffee County Arts Alliance. At the conclusion of the business session, the club was adjourned with the members reading the Club Collect in unison.

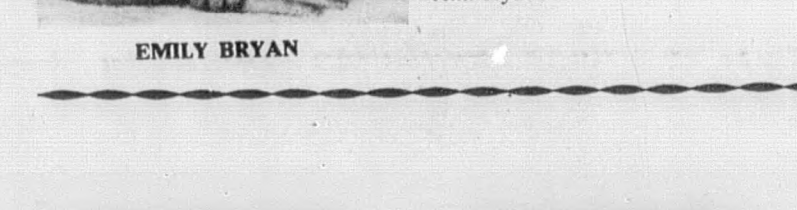

Members present were: Mrs. Kirk Allred, Mrs. M.O. Bruckner, Mrs. Edlow Bryan, Mrs. J.R. Clark, Mrs. O. Dowling, Miss Jeanette Garrett, Mrs. Durrell Hudson, Mrs. L.F. Inman, Mrs. W.E. Kelley, Mrs. J.M. Kinney, Mrs. J.D. Lowery, Mrs. T.M. Miller, Mrs. P.J. O'Leary, Mrs. P.H. Sellers, Mrs. Melvin Senn, and Mrs. Duke Tatum, Sr.

### Emily Bryan Is Three Years Old

Emily Bryan, daughter of Mr. and Mrs. Hubert Bryan, celebrated her third birthday on August 18, with a party at her home.

Emily entertained her guests on the patio which was gaily decorated with colorful balloons and pink crepe paper. A "Strawberry Shortcake" and homemade ice cream were served, along with other refreshments and party favors.

Special guests helping Emily celebrate were Brett Bryan, her brother; Leslie and Lisa Stinson, Jimmy Ashley and Donna Murdock, Raeann and Pam McCollough, Andrea, Ashley and Debbie Danley, Eddie, Julie, Tracey and Mary Powell, Laura and Betsy Prior, Bryan Daniels, Lisa Bryan and Emily's grandmothers, Trudie Bryan and Ann Hyatt.

### Miss Weeks Honored With Bridal Shower

The Elba Senior Citizen's Center was the scene of a miscellaneous shower Thursday evening, September 6, honoring Miss Jan Weeks, bride-elect of Mr. Bill Murray of Ozark.

Upon entering, guests were registered by Mrs. Frances Conner. The registry table was beautifully decorated with a white linen cloth with border lace, a silk arrangement of daisies and African violets, a white plume pen and guest book.

Guests were greeted at the door by Miss Eleanor Lee and received by the honoree, her mother, Mrs. L.G. Weeks, and her grandmother Mrs. C.L. Northey. Special guests were Mrs. Elizabeth Murray, groom's mother; Miss Miriam Murray, sister of the groom; Mrs. Dwight Kelley, Mr. and Mrs. C.L. Northey, bride's sister and Mr. C.L. Northey, bride's grandfather.

Over 45 guests were served from a beautiful serving bar covered with a pink table cloth. Refreshments consisted of pink punch, pink divinity, nuts, cookies, and mini sandwiches.

After being served, guests were directed through the foyer to the gift room. The front of the foyer was beautifully decorated with huge ferns, violets, and wedding bells hung over the entrance.

The bride received many lovely gifts from those who attended and from others.

Hostesses for the occasion were: Frances Conner, Addie Belle Martin, Quinnie Whitman, Idelle Whitman, Olin Kendrick, Eleanor Lee,

Mrs. James Keith Morgan

### Collier — Morgan Wedding

Miss Sharon Collier, daughter of Mr. and Mrs. Clyde Lavan Collier of Route 1, Enterprise, became the bride of Capt. James Keith Morgan on Saturday, August 25, at the First Baptist Church Enterprise.

The groom's parents are Mr. John W. Morgan, Miami, Fla. and Mrs. Jane McClain, Jacksonville, Fla.

Dr. William Montgomery was the officiating minister. Mr. Jeff Hummel, organist, Miss Jenny Harris, pianist and Miss Julie McVey vocalist provided music for the service. Vocal numbers included: "Because He Lives", "My Tribute" and "The Lord's Prayer."

The bride wore a formal romantic gown of white organza. The drop shoulder bodice was entirely overlaid with Venice lace patterns, a medallion of Schiffler lace over English net accented the bodice. Organza rosettes trimmed with embroidery and pearl pews extended from the top of the shoulders down the back of the neckline on each side.

The short tear drop sleeves of sheer organza were decorated with small motifs of Venice lace. A full skirt fell from a fitted waistline which was defined with Venice lace. The skirt and semi-cathedral train were trimmed with rows of embroidery at the hemline.

Her semi-cathedral veil was of two-tiered illusion. Each of the tiers was edged entirely with Venice lace. The headpiece was a wreath of silk chiffon adorned with silk flowers.

The bride carried a cascade of white sweet heart roses and gypsophila with streamers of ribbon.

The attendants were matching full length gowns of lilac silk chiffon over taffeta. The sleeveless gowns featured draping layers of silk chiffon extending to the waistline in the front and back. A softly gathered skirt fell from the fitted waistline around which a lilac satin sash was tied.

The bridesmaid's carried sprays of lavender and white cushion mums with gypsophila and streamers of ribbon.

Best man was Mr. Lamar Morgan, brother of the groom. Atlanta, GA; Groomsman were: Mr. Richard Collier, brother of the bride; Demopolis, AL; Capt. Rick McCalla, Enterprise; Mr. Angel Suarez, Chicago, IL; and Mr. Dave Chandler, Ft. Worth, TX.

A reception followed the ceremony in the fellowship hall of the church. Serving the bride's cake were Miss Jenny Harris and Miss Brenda Welch. Punch servers were Miss Lisa Marsh and Mrs. Rawls Webb.

Following a wedding trip to Pensacola, Florida, the couple is at home in Enterprise. The groom is employed as chief of permanent party management at Fort Rucker, AL.

**RE-NUPTIAL PARTIES**  
A miscellaneous shower was given in June by Mrs. Dee Voyles, Mrs. Sandra Botta, Mrs. Juanita Parker, Mrs. Carolyn Moore, Mrs. Nancy Henry, Mrs. Marie Amos, and Mrs. Linda Morrell in the home of Mrs. Dee Voyles, Opelika, AL.

A rice bag party was given

### Miss Mayo Becomes Bride Of Mr. Maddox

Miss Barbara Mayo became the bride of Perry Randolph Maddox in a garden wedding at the home of the bride on August 24, at seven o'clock in the evening. Rev. J.C. Barbaree, friend of the groom, conducted the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Frank P. Mayo Jr. of Elba. The groom is the son of Mr. and Mrs. Perry C. Maddox of Wing, Alabama.

Wedding vows were exchanged before a lovely arch with a background of palms and ferns. Given in marriage by her father, the bride wore a formal length gown featuring a pearl-encrusted Queen Anne neckline. The full skirt of cascading lace fell from an empire waist and extended into a chapel-length train. Her veil of illusion was edged with Alencon lace caught to a pearl-encrusted Juliet cap.

Regina Prescott, friend and classmate of the bride, presented a program of pre-recorded music, and during the ceremony she and Alan Kelley, cousin of the bride, sang

Mr. and Mrs. Maddox

"Endless Love".

Miss Judith Mayo, sister of the bride, served as maid of honor. Carrie Smith and Lori Sanson, cousins of the bride, served as train carriers.

Steve Maddox, brother of the groom, was best man. Ushers were Olen Mayo, brother of the bride, and Craig Woods, friend of the couple.

The wedding was directed by Mrs. Judy Smith, aunt of the bride.

**RECEPTION**  
A reception was held in the home of the bride, following the ceremony. The couple resides in Elba.

### Historical Society Sets First Meeting

The first meeting of the 1984-85 year of the Pea River Historical and Genealogical Society will be held in the Welcome Center on the Highway 64 Bypass in Enterprise on September 16, at 3 p.m. A representative of the Taylor Publishing Company will talk about writing a new history of Coffee County. "We have had one history written of Coffee County," said

president, James B. Jolley. "But much has been learned about the county since that time."

All members and others who may be interested in writing a new history of the county are invited, and all high school students of the county are encouraged to attend. Anyone outside the county who may be interested is also invited.

### Dr. Frederick To Practice Dermatology In Enterprise

Dr. Fred D. Frederick has hung his shingle out at 200 E. Watts, Enterprise with the opening of his civilian practice of dermatology. The move for Frederick comes after a tour of over 25 years in the military service.

The dermatologist earned his undergraduate degree at Delta State University, Cleveland, Mississippi, following a four year stint in the U.S. Navy. His M.D. degree was obtained from the School of Medicine, University of Mississippi in June 1963.

A long and distinguished career in the U.S. Army Medical Corps followed internship at Brooke Army Medical Center.

After serving as an Army Flight Surgeon with the 101st Airborne Division, the new physician earned a Master of Public Health degree from the University of California in Berkeley. He is also a veteran of Vietnam where he served as Surgeon, 17th Aviation Group. Frederick, who has been stationed at Lyster Army Hospital, Ft. Rucker, since June, 1983, reached the rank of Colonel before retiring last month from the U.S. Army.

He will practice dermatology, dermatology surgery, and the treatment of diseases of the skin, hair,

nails, and skin cancer. His office hours are Monday-Thursday, 9 a.m. - 5 p.m.

### Andrews And English Join ZC Staff

BY KIM BRUNSON

Supervising transportation, disciplinary actions, and assisting Dr. Crabtree in the administration of the school, are the duties of the vice-principal Bob Andrews.

Mr. Andrews was principal at New Hope Jr. High for five years before its recent closing. Before being a principal at New Hope, Mr. Andrews taught at Elba Jr. High for one year.

Mr. Andrews graduated from high school at Warren Smith High School in New Brockton. He then went on the Daniel Payne College in Birmingham where he received a B.S. degree. Later he attended Troy State University where he received his Master's Degree in administration and Supervision.

Mr. Andrews is married to Juanita Andrews who teaches fourth grade at New Brockton Elementary. They have three boys: Broderick, age 10; Derrick, age 8; and Cedrick, who is 6 weeks old.

Mr. Andrews says the move from New Hope is a change for him, but he can adjust. Coming to a new school has been made easier because of the friendly students and teachers at Zion Chapel. He also says that bringing the students and teachers from New Hope has made him feel right at home.

BY SARAH CAMPBELL

"Mr. Ken English is one of the many newcomers here at Zion Chapel. He teaches physical science and social studies and is involved in coaching the football team and the junior high basketball team.

Mr. English is a graduate of Straughn High School. He holds a B.S. degree in biology and P.E. from Troy State University; his master's degree is also from Troy State.

Mr. English is married to the former Patsy Kner and they have one daughter, Jennifer, who is in the second grade at Zion Chapel. Mr. and Mrs. English are expecting

English

another child in March. Mr. English says he enjoys teaching at Zion Chapel. He also stated, "I am excited about becoming a part of the faculty and coaching staff at Z.C. and I look forward to working with everyone to provide a quality education for each student involved in our different programs."

### Annual Staff Members Attend Workshop At Mars Hill

BY JANET STEWART

Mrs. Rachel Bryan, Janet Stewart, and Wendy Nelson served as representatives to the Herff Jones yearbook workshop in Mars Hill, North Carolina, from July 29 through August 2.

Workshops on the different

aspects of organizing a yearbook were taught everyday. Mrs. Bryan, as a member of the staff, taught a workshop on cropping to several different groups.

Basic layout, advanced layout, cropping, and type fitting classes taught the mechanical basics of

putting together a yearbook. Workshops on black and white graphics, magazine concepts, photo composition, and color usage illustrated methods of individualizing a yearbook. The different sections of a yearbook were featured in the student life/sports session, the people/academics session, and the clubs/open-close session. Other classes included pre-mat and common mistakes.

In addition to the regular classes, Mrs. Bryan attended a computer session, a work session, and an advisors' session for the sponsors. Janet attended an editors' session and Wendy as business manager, participated in an ad preparation class. The representatives from each school met with an artist from Herff Jones to make plans for their yearbook.

"They're counting on me and I can do it" was the speech theme of Bill Sanders from Kalamazoo, Michigan. He was the keynote speaker at the first general session. He challenged the group members to do the best jobs they could do and to be the best people they could be.

From the Boil-Weevil to the Big Apple... Cornelius Clark went from ESJC to GE in New York.

"I was interested in being educated, not merely in going to college just to say I had done. Upon graduation from Samson High, I entered the Air Force and had a good career for four years but my dream of receiving a degree was unfulfilled. I began ESJC on the GI Bill education benefits. I even had the privilege of playing basketball for Coach Dean Clark. My undergraduate studies were completed in the University of West Florida's Computer Systems Sciences in 1973. I have been employed by General Electric in New York for over 11 years and my responsibilities are among both domestic and foreign markets. I'm married to the former Carolyn Tyson of Elba, an alumna of ESJC, and we have two beautiful children. ESJC presented me with many learning opportunities both in and out of the classroom."

### ZC's New Band Director Organizes Camp

BY WENDY NELSON

Marching maneuvers and new drill music were the emphasis during the very hot first week in August. Band members were assembled to begin a new season with a new band director, David Seaton.

Mr. Seaton, a 1983 graduate of Troy State University, was hired as Zion Chapel's new band director. He has worked hard to make this year another successful year for the band program.

Ralph Ford, who is from Troy State University, worked with Mr. Seaton on drill music during the band camp. Allen Nettles, also from Troy State, worked with the percussion section. Kirby Sanders,

who is from Goshen but is now living in Texas, worked with the colorguard.

On the last day of band camp, Seaton, Wendy Nelson, and David McCarroll were chosen as band officers for the 1984-85 school year.

President Wyman McWaters has been in the band for seven years. He is section leader of the percussion section where he plays the snare drum. Wyman's job as president is to take over the duties of drum major when the drum major is absent.

Vice president Rhonda Senn has been in the band for three years. She is the colorguard captain.

Wendy Nelson, who was chosen secretary, has been in the band for

two years. She plays the triples in the drum section.

Davis McCarroll, treasurer, has been in the band for seven years. He is the trumpet section leader.

When asked about the summer

band camp, Mr. Seaton replied, "Band camp was very enjoyable, we learned a whole lot and it was proven that the students are really what makes the Zion Chapel Band so great."

### Zion Chapel FFA Members Attend Convention, Win Honors

BY JASON HUSSEY

Zion Chapel's FFA Land Judging team attended state competition in

Montgomery on Monday, June 11, 1984. The team won first place in the county contest and second in the district contest to advance to the

state level of competition. The team members are Jason Hussey, David Rainey, Steve Nelson, and Michael Hill. The team placed fifth in the state, scoring just over 600 points. Seventeen teams throughout the state competed.

The Land Judging team came home that evening but went back to attend the FFA convention June 12-14. Each team member was a delegate to the convention. The night sessions were usually over by 9:15 p.m. After the convention the team went to the Holiday Inn where the rest of their time was spent "recreating."

Mike Chirico, a 1984 graduate of Zion Chapel, also attended the convention with the Land Judging team to compete for the FFA Agricultural Electrification Award. Mike won second place and \$175 cash award.

There were many interesting speakers at the convention. The last morning, Jerry Clover, a famous comedian, was the guest speaker. Harold Stewart, FFA Advisor at Zion Chapel, attended the convention with the students. The trip was paid for by money that the team had already won and by the FFA.

### NATURAL GAS FOR YOU NOW! We're Making It Easy

# EVERYONE SHOULD REPORT CHILD ABUSE-NEGLECT

As the school year begins, teachers and school officials throughout Alabama are being reminded of their responsibility to report child abuse or neglect.

Under Alabama law, teachers and school officials are required to make a report if they know or suspect that a child has been abused or neglected. Reports should be made to the Department of Pensions and Security in the county where the child lives.

Wayne Teague, state superintendent of education, has asked county and city superintendents to post in their schools information on Alabama's child abuse and neglect reporting law. In a letter to local superintendents, Teague also asked them to encourage principals to discuss the law with their faculties at the beginning of the school year.

"We appreciate Dr. Teague's cooperation in making certain that teachers understand the state's child

abuse and neglect reporting law," said Leon Frazier, state Pensions and Security commissioner. "No other one group of professionals has as much close contact with children of school age as do school personnel."

Under Alabama law, "school teachers and officials" are among many professional groups who are "mandatory" reporters of child abuse and neglect. This means that the law requires school personnel to make reports if they suspect a child has been abused or neglected. Certainty of abuse or neglect is not required, either of teachers or of anyone who makes a report.

When a report is made, Frazier said, workers with the Department of Pensions and Security investigate to determine the facts and to see whether the child needs protective services. If removal from the home appears to be the best alternative, the department will petition the

court requesting placement of the child in the foster home.

Services available to children when they continue to live in their own homes include family counseling, homemaker services to teach parents childrearing skills, care after school in a day care facility and referral to community resources such as health or mental health services.

Frazier said workers with the Department of Pensions and Security are available to come into the schools to explain the law and the responsibilities of school personnel. He said workers can also assist teachers in learning how to recognize signs of possible abuse or neglect.

"I've asked our county offices to make some followup contact with school personnel when they do make an abuse or neglect report," said Frazier. "In this way teachers and school officials will have reassurance that action was taken, that the investigation was actually made and

services provided if needed." During the 12 months of fiscal year 1983, the Department of Pensions and Security received nearly 24,000 reports of child abuse and neglect. In the first six months of fiscal year 1984 the department received almost 15,000 reports.

**SID AVERETT**

**Candidate for County Commissioner District 4, Place 2**

I would like to take this opportunity to thank the voters of Coffee County for the vote of confidence given me on September 4. Having never run for public office, this was very encouraging.

I realized in the beginning that all my opponents were veterans of the political arena, and put my trust in the fine people of this county that want HONEST, EFFECTIVE and EFFICIENT government. I ask for your continued support in the runoff election. If your candidate was eliminated, I ask that you join with my many friends and elect me your County Commissioner, District 4, Place 2.

I appreciate your being my friends.

Sincerely,

ELBA METHODIST CHURCH

**LEARN TO BELIEVE**

In the ninth chapter of St. Mark we have the record of the failure of the disciples of Jesus to heal a young boy brought to them by his father. As I think about that incident, I can imagine the discouragement of that father upon learning that the disciples could not heal his son. No doubt this man had heard of the miracles of Jesus and he had great hopes that his son could be healed by the dedicated followers of the Master Healer.

I can imagine this man turning sadly away, disappointed and with fading hope, when suddenly Jesus appears on the scene. Jesus acquainted Himself with the situation and then said to the man, "If thou canst believe, all things are possible to him that believeth."

Now this man considered himself a believer, but he recognized his weakness and realized that he needed to believe more. He eagerly replied, "Lord, I believe, help Thou my unbelief."

Jesus was asking that father about his faith almost a thousand years ago, but Jesus is likewise speaking to each of us today. To the defeated, the anxious, the troubled, to those who are worried or afraid, Jesus is saying, "If you can believe."

He teaches that it is possible for us to succeed, even if we do not have a job or a person expected to succeed, he must first learn to believe.

This principle works in other places too, and has been proven time and again. One of the greatest football coaches of all time was Knute Rockne. One of his rules in recruiting players was that he would not have a boy with an inferiority complex. He said his players must believe they could accomplish things that they could win.

William James, the famous psychologist, once said, "Our belief, at the beginning of a doubtful undertaking, is the one thing that assures the successful outcome of any venture." This is another way of saying that if any person expects to succeed, he must first learn to believe.

So do we go about this?

First, we should seek to eliminate

the word "impossible" from our vocabulary. Notice Jesus said that all things were possible. We should make a note sometime of the negative thoughts we have, then we should make an earnest effort to reduce the number of times we think or say a thing cannot be done. There is a little chorus we would do well to hum or sing over and over again: "Only believe, only believe, all things are possible, only believe."

When we begin to rid ourselves of negative attitudes, we will begin more and more to think and to say, "Lord, I believe."

There is one very important word here that we must not overlook. We do not simply say, "I believe," but we say, "I believe." There are many things we cannot do by ourselves. Even psychology or psychiatry alone cannot enable us to do or believe some things. The best of people have to have help at times. Jesus will acknowledge their need and look to Christ, and He makes the difference. He is the help we need. . . it is through Him that the impossible becomes possible.

Every person feels defeated or downcast at times. It is a natural part of life, but it is not natural for us to remain defeated or downcast. There is help for every person who gets and who welcomes the help of Christ. In Christ, the Savior, we can find strength and courage to overcome our fears and our weaknesses, and experience the victorious and joyful life.

Christ and His people are waiting for you and they welcome you at the churches of our community. Come, let us help you turn your impossibilities and negative thoughts into affirmative possibilities as we seek and follow the Savior together.

**Bible Verse**  
And as he reasoned of righteousness, temperance, and judgement to come, trembled, and answered, Go thy way for this time; when I have a convenient season, I will call for thee. But after two years Porcius came into Felix's rooms. . . Acts 24:25 & 27a

## Florida Boys Coming To Elba

The Florida Boys will be in Elba September 23, 1984 at the Elba Church of God. They will be singing at 9:45 a.m. and 2 p.m.

The Florida Boys have been recognized as one of the top names in Gospel Music for thirty years. Their self-contained group of veteran performers is an asset to any program where good clean entertainment is needed.

Group members are: Les Beasley, manager, emcee and lead singer for the group; Glen Alfred, baritone and lead guitarist; Derrell Stewart, pianist; Buddy Liles, bass; and Terry Davis, tenor.

Everyone is invited to come on out and enjoy a day of good old Gospel singing.

## Graham Film To Be Shown At Elba UMC

The Living Word, a new film produced by World Wide Pictures, will be presented by Elba United Methodist Church on Sunday, September 16, at 7 p.m. The showing is free and open to the public.

The film touches the heart and mind of the viewer with its relevance to twentieth-century mankind. "Rich in visual beauty, and enhanced by a powerful, original musical score," The Living Word brings the pages of the Bible to life in a fresh, new way.

Featuring narration by Billy Graham and Cliff Barrows, the film weaves together Scripture passages, great works of religious art, music, and some of the most stunning color footage ever filmed in the Holy Land.

## SINGINGS

**GOSPEL SINGING**

**THOUGHT FOR THE WEEK**  
When our hearts are full of God's goodness and blessing, there is no room for envy.

**Scripture for the Week**  
No one should be looking out for his own interests, but for the interest of others. 1 Corinthians 10:24

**PRAYER for the Week**  
Give us a sense of self-worth based on your values. Help us to support and encourage one another.

**EXERCISE for the Week**  
Upper-Body Toner  
1. Sit up tall, legs together, toes pointed and arms overhead. Hold your stomach in and keep breathing.  
2. Lift the right leg up and down 8 times. Repeat lifting the left leg up and down 8 times; easy does it.  
3. Return to starting position; begin the series again if you can, this exercise tones the stomach as well as your thighs.

**TOPIC for the Week**  
Laugh and the world laughs with you - Cry and it laughs at you.

smile when we say certain things to people. Sometimes the way we say things to people cause hostility and hostility is destructive and can be your worst enemy on any job. It generates anxiety, tension, depression and distrust. Dr. Milton Layden said that people who repress hostility get more colds and flu and hypertension, strokes, ulcers, and a host of other ailments. Therefore, laughter is the best medicine.

Laughter may not cure, but it eases pain and defuses trouble; it has no bad side effects and it's free.

According to the Laughter Prescription the four leading ways of breaking tension are taking drugs, meditating, exercising strenuously and laughing your ham off.

Research indicates that laughter produces similar effects to exercise, raising heart and respiration rates. It exercises the lungs and circulatory system, boost blood oxygen, then leaves us with a slower pulse and more relaxed muscles.

The imperatives of humor and play, of turning reality into fun, are forever with us. The trick is not to stifle or disdain them, but to use them for our motivation, ideas, inspiration, release, morale or just laughs.

Business is fun and will do more of what we can sell the humor in daily work situations.

**MULBERRY'S GRAPEVINE**  
The Progressive Savings Club met Saturday night, September 8 at the home of Mrs. Elizabeth Ware to celebrate her birthday. The meeting was called to order by the president, Mrs. Bessie Coon. **Wheels For Life Bike Ride To Be Held At Brockton**  
Bike-a-thon chairman, Angela Hughes, has asked New Brockton residents to join the St. Jude Children's Research Hospital "Wheels for Life" Bike-a-thon slated for Sept. 15.

Mrs. Hughes said this ride honors Jaime, a leukemia patient at St. Jude. "With every turn of the wheel, riders become spokes in the wheel for the kids with cancer, like Jaime, who want to know they aren't in this battle alone."

"People willing to give time to create more time to children crying for help stimulates a better event than any other," she said.

Sponsors donating a sum of money completed are: the St. Jude Children's Research Hospital, The Lyons who raise \$25 receive a St. Jude t-shirt. When \$75 is raised, the rider receives a barrel tote bag and a t-shirt. Pick up sponsor forms at Piggly Wiggly in New Brockton.

"The general plan is to have a good time while helping a wonderful group of children counting on our support," Mrs. Hughes said.

Contact: Angela Hughes, P.O. Box 489, New Brockton, or 894-5596 for details on riding or sponsoring a rider.

## Scenes From Open House at Pensions & Security

FACILITY REMODELED BY  
COUNTY WITH STATE FUNDS

### LETTER TO THE EDITOR

Dear Sir:

On Sunday, August 26, 1984, the Coffee County Department of Pensions and Security held an Open House to show the people of Coffee County our recently renovated building. We had a very successful day and about 140 people attended.

The renovation of the Coffee County Department of Pensions and Security was a cooperative effort on the part of our State and County officials. Special thanks go to the following persons:

Dr. Leon Frazier, Commissioner of the State Department of Pensions and Security, and Mrs. Charlie Lassiter, his assistant, for helping us to obtain funds for this renovation. Judge Brunson, with the help of the Coffee County Commissioners, provided the leadership for this renovation effort. Without Judge Brunson's leadership and the support of the Coffee County Commission, this renovation could not have taken place. Special thanks also go to the Coffee County Board of Pensions and Security for their leadership and support in this effort.

Special thanks go to Sheriff Bert Paul, who permitted us to use jail inmates to provide the labor free of charge to the County. Mr. Randy Lucas, Director, Elba Work Release Center, also cooperated in helping

provide free labor for this project. Mr. John Flowers, County Maintenance Supervisor, deserves special recognition for the untiring effort he demonstrated in directing the work of this project. Also, thanks go to Mr. Andy Wilkinson, who worked closely with Mr. Flowers.

In conclusion, I would like to recognize the outstanding contributions of the employees of the Coffee County Department of Pensions and Security. Each employee carried on with their work admirably in spite of all the noise and confusion caused by the renovation. Also, each employee decorated their own office with curtains and pictures out of their own personal funds. This demonstrates the dedication they have to their jobs and also demonstrates a true spirit of cooperation. I am grateful for their unselfish contributions in making this building more attractive for the people of Coffee County.

This renovation is of particular significance in that it demonstrates what people can do by working together. This agency thanks everyone for their assistance in making this renovation possible. Everyone is invited to come by and visit us.

Sincerely,  
Ronald C. Smith, ACSW  
Director

### VIEWS FROM

## THE PRESSBOX

BY RICKY MULARZ, EDITOR

The Elba Tigers pulled out win No. 2 last week and learned a valuable lesson in the process -- not to look at the scoreboard until the game is over! The Tigers owned a 20-0 lead and were about to score again to make it a blowout, but Geneva held and went down the field to score, then picked off a pass and scored again to make it a nailbiter. It got a little scary later, however, Elba held on to win and now knows it ain't over till it's over.

Elba looked improved last week, and except for a couple of plays, played a very good game. The offense got its running attack in gear, both inside and outside, and Michael Scott and Richard McKinnon both turned in excellent performances. The backs' success was due in no small part to the offensive line, which is something I keep an eye on, and if the line continues to improve, look for better days ahead.

The defense had to make a couple of adjustments to stop the Geneva wishbone and did a good job. The old "Utah pass" caused Elba problems and on a touchdown run they blew the line away; however, the defense did a good job and also showed improvement.

Don't let the score fool ya -- Elba played a good game and won the game!

Except for New Brockton, all the schools in the county pulled off wins last week. Here's a quick look at how they did:

\*\*\*Zion Chapel got its running game going and rolled over Samson. The Rebels have a big line and a trio of good backs, and when they get it going they're hard to stop.  
\*\*\*Kinston remained undefeated (that just doesn't sound right) and posted its second straight shutout in the process. If the Bulldogs will work hard, improve and stick to the basics, it could be a fun season down in K'town.  
\*\*\*New Brockton remained winless (that sounds even worse) and again made some crucial mistakes. I knew the Gamecocks were a year away from being a power, but who expected the defense to give up all those points? I'm still betting on a winning season!  
\*\*\*Enterprise drilled Butler 31-0 to get back on the track. While it was clear Butler wasn't in Enterprise's class, Enterprise did look much improved. The Cats' claws are getting sharp.

Before leaving the high school ranks I thought I'd mention how a few local teams did, for my readers out of state.

\*\*\*Coffee Springs, a pre-season pick to be a state contender, got shelled by Long 20-0. A rough way to start!  
\*\*\*Sweet Water followed up its 28-8 win over Thomasville with a 34-0 win over Johnson. Here's the team to beat in IA!  
\*\*\*Cottonwood, everybody's pick in 2A, clubbed Dale County 27-0 for its second straight blowout. Watch them Bears!  
\*\*\*Hartford scored late to upset Daleville 21-20. Maybe the Bulldogs are better than I thought.  
\*\*\*Andalusia lost to Monroe County 9-7 and now faces Atmore. Better tie down the shutters!  
\*\*\*Brundidge clipped Abbeville 20-14 and looks to be a very good team. The Dogs are hungry up in Pike County!  
\*\*\*and Opp eased past Troy 24-21 to top its record to 2-0. The Bobcats are paying folks back sooner than expected.

I watched Alabama lose Saturday night on TV and am now convinced it's much easier to coach from the sofa than from the sidelines. I don't think the Tide will be as good as everybody thought, but I'm not about to write 'em off.

The Elba Junior High Tigers opened their season last week and blasted Enterprise Junior 20-0. The Tigers dominated in all areas and really looked great!

Ye ole Polish Prognosticator only missed the Elba pick by one point, but that was about all there was to brag about as I hit on only 19 of 30 picks. This week I'm looking to bounce back strong, so here goes...

**ELBA VS. LUVERNE**  
Elba will have a battle on its hands when it goes to Luverne, and an upset is definitely a possibility. However, the Black and Gold are talking championship, and I think it's time they started looking like champs.

**KINSTON VS. HOUSTON ACADEMY**  
The Bulldogs are growing after two straight wins and are hungry for more. This meal could be a little tough, but the Dogs should still chew 'em up.

The Gamecocks aren't flying too high these days, while the Eagles will swoop in expecting a win. Ah, it will be nice to be at home.

## Elba Tigers travel to Luverne Friday for annual battle with Luverne Tigers

The Elba Tigers will be hoping to claim their third straight win Friday night when they travel to Luverne to battle the always tough Luverne Tigers.  
Luverne (1-1), coached by Glenn

Daniel, who in his 30th season is the winningest coach in the state, made costly turnovers in its season opening 14-13 loss to Dozier, but last week looked much improved and posted an impressive 21-15 win over

Florida. The Luverne offensive attack is paced by tailback Joe Parham, a speedster, who has gained 316 yards over 200 yards. Senior Michael Scott parham's TD runs include: scampers of 49, 17 and 34 yards, an indication of his breakaway speed. Fullback Kevin Womack bulled for 95 yards in only 10 carries against Dozier and keeps the defense honest all the while. The Luverne offense is a quick, gambling attack with the potential to put points on the board at anytime!

The Luverne defense, always a hard-hitting bunch, has held both opponents to under 200 yards in total offense and combines quickness and strength. The line is anchored by Meter Parks (NG) and Steve Oliver (T), while linebackers Scott Brown, John Wilkes and Terry Cowart provide plenty of hard hitting.

The Elba Tigers remained undefeated last week by knocking out 3A power Geneva. Kickoff in Luverne will be at 7:30 and seating is limited, so, get there early!

### Wood says Luverne improved

Elba's Coach Mack Wood stated this week that Luverne had improved "a heck of a lot" since the opening game loss to Dozier and said he is expecting a typical Elba-Luverne battle Friday night in Luverne. "Luverne has got a good team that always plays us tough," said Wood, "and this year will be no different. We'll have to play real well on both sides of the ball, be sound in all areas and be determined to win our test. Offensively, we'll have to block people clean and pick-up their slants. Luverne's defense always gives us trouble, so we'll have to do well in the line if we hope to establish our offense. On defense we'll have to stop what they do best -- the run. They option well and pressure the ends, and they have two good backs. Our defense will be sternly tested. This is going to be a

## New Brockton looking for 1st win in match-up against Goshen Eagles

There will be plenty of action for football fans in Coffee County this Friday night, Sept. 14, as all three county schools will take to the field in important match-ups.

New Brockton will host Goshen in the "Game of the Week," while Kinston will host Houston Academy and Zion Chapel will travel to Louisville.

New Brockton vs. Goshen

Leavy Boutwell's Gamecocks are off to an 0-2 start and hope the friendly surroundings of Gamecock Stadium will bring about win #1. New Brockton's offense has put 42 points on the board in the opening two games (21 pt. ave.) during the running of Mike Haynes, Keith Patterson and Varrick Haynes; however, numerous turnovers have plagued the offense and the defense has been unable to pick-up the slack. The Gamecock defense, a strength in years past, has allowed a whopping 65 points (32.5 pt. ave.) in the losses and has given up big plays. If New Brockton is to get in the win column, the offense will have to avoid mistakes and the defense will have to earn respect.

Goshen will bring a 1-1 record into the game, having lost to Florida 20-8 and defeated Highland Home 12-7. The Eagles are led by Randy Wilkes on the ground, a speedy back who gained 122 yards on 18 carries last week with a 28-12 romp over Samson and are looking forward to their ride to Louisville. Zion Chapel's 1-2 punch of Michael Hill and Tony Shiver continued to work well last week, but the Rebels also used a "surprise punch" as Bobby Hill ramblined for over 100 yards. The Rebels' power offense could be gaining momentum! The Z.C. bent, but didn't break against Samson and showed signs of improvement, giving optimism to Rebel fans.

Louisville (1-0) opened the season with a 12-7 lead over Houston Academy and has had a week to prepare for the Rebel invasion. The red Devils have a rock-hard defense and a trio of speedy backs, a deadly combination that will be hard to beat.

### Softball tourney

on Sept. 22 to

benefit retarded

Before you settle down to watch your favorite football team there are still some exciting softball activities yet to be played. One of these is the Invitational Softball Tournament for the Mentally Retarded being sponsored by the Recreation Department of Damascus Baptist Church on Sept. 22 at Damascus Recreation Field.

The players in this tournament will be clients from Montezuma Activity Center from Andalusia, The Butler Activity and Training Center from Greenville, Geneva Day Care and Training Center from Geneva and Coffee County Training Center from Enterprise. The four game tournament will begin on Saturday morning at 10:00 with trophies being presented to winners around 3:00 p.m.

Refreshments will be on sale during the games and at lunch. They include: grilled hamburgers, candy bars, chips and soft drinks. The proceeds of this tournament will go to the Coffee County Training Center to help assist in implementing the programs there by the Parents Auxiliary Association. Anyone wanting to know more may call 894-4680, or 393-3937. In Elba call 897-5026.

## Elba Junior High Tigers open season with 20-0 win

**TOUCHDOWN!** Elba junior Tiger Robert Wilson (25) crosses the goal line for Elba's first touchdown against Enterprise Junior High.

The Elba Junior High Tigers opened their season in fine fashion last week as they posted a stunning 20-0 upset win over the Enterprise Junior High Wildcats.

The Tigers were dwarfed in size by the huge Wildcat team, but used their quickness and an aggressive defense to control the game.

Enterprise received the opening kick, but held the ball for only two plays before Elba's Lonnie Dixon recovered a fumble on the Wildcat 22-yardline. The Tigers moved quickly inside the 20, only to give the ball back on an interception at the 14-yardline. Enterprise moved to a first down on its next possession, but again fumbled and this time Elba's Gappa Wise recovered at the Wildcat 34-yardline.

The Tigers picked up their initial first down behind the running of Robert Wilson and Bobby Bowden and appeared to be headed goalward; however, two penalties and a 10-yard loss on a quarterback sack killed the drive.

The county rivals swapped punts on the next three series, with Enterprise winding up with the ball on its 18-yardline. The Wildcats held the ball for only one play before fumbling, as Dean Hooks pounced on the loose ball to put Elba in business! A short run and a 9-yard

pass from Jason Moore to Brian Free moved the ball to the 8-yardline, setting up an 8-yard touchdown scamper by Robert Wilson. Wilson also ran in for the 2 point conversion and with 2:58 left in the half Elba was on top 8-0.

Neither team could mount a drive early in the second half; however, Elba's offense got on track on its second possession and drove 78-yards in only 5 plays to add to its lead. A 10-yard run on third down kept the drive alive and one play later Jason Johnson broke loose and raced 51-yards for a touchdown. The conversion attempt failed, but with 2:32 left in the third quarter the Tigers had opened a 14-0 lead.

A 51-yard punt by Elba's Christian Fleming backed Enterprise up on its 7-yardline and the Tiger defense refused to let the Wildcats out of the hole. Forced to punt out of its endzone, Enterprise saw all hopes slip away as Elba's Joseph McCollough blocked the punt and Trov Sanders fell on the loose ball for another Tiger touchdown! The conversion failed, but with 4:52 left

in the game it was all over as Elba owned a lopsided 20-0 lead.

Enterprise drove deep into Elba territory late in the game against the Elba reserves, but the Tigers wouldn't let the Wildcats on the board and held on for the 20-0 win.

Jason Johnson gained 55-yards in 3 carries to lead the Elba running attack, while Robert Wilson gained 42-yards in 14 carries.

Gappa Wise made 10 tackles, had 4 assists and recovered a fumble to lead the Elba defense while other leading tacklers include Dwan Hooks (6T & 2A), Robert Wilson (6T & 2A), Joseph McCollough (5T & 1A) and Matt Henderson (4T & 1A).

### Prep Spotlight

Jeff Hill of Grissom scored five touchdowns—for a total of nine in two games—to move into the "prep spotlight" selected by the Alabama High School Athletic Association.

A survey of football games statewide is made each week.

The 5-8, 160-pounder raced to five touchdowns on 214 yards rushing in Grissom's 34-24 victory over Athens. The previous week the junior running back had rushed for 127 yards and four touchdowns in a 35-20 win over Arab, which was led by Kevin Collins' 253 yards passing and three scoring passes.

Hill's two-game totals stand at nine touchdowns and 341 yards rushing.

Other spotlight performances:

\*\*\*Johnny Harris of Welborn had 354 yards total offense and was responsible for four touchdowns in a 28-6 victory over Cleburne County.

\*\*\*Bobby Washington of Robert E. Lee rushed 34 times for 222 yards and three touchdowns in a 28-10 upset of Shades Valley.

\*\*\*Robert Stewart rushed for 269 yards on 34 carries and scored on a 50-yard run in Houston County's 9-0 win over Rehobeth.

\*\*\*Tackle Harold Tolson made 22 tackles and Jay Dyess kicked three field goals in Monroe County's 9-7 upset of Andalusia.

\*\*\*Ronnie Stinson, accounting for all of Arlton's points, scored three touchdowns, kicked a field goal and two extra points in a 23-14 win over New Brockton.

## City champs crowned in tennis

The Elba Tennis Association sponsored its first annual City Championship Tournament last weekend and crowned city champs in

four categories. In the Girls division, April Thomas claimed the title with a 6-3, 6-1 win over Katie Santa Rossa. Both

girls opened the tourney with wins by default. In the Boys division Stevie Sauls took the championship with a 6-3, 6-1

win over Chris Thomas. Sauls had earlier defeated Jason Grider 6-0, 6-0 and Hayden Young 8-6, 6-1 to move in the finals, while Thomas had defeated Kevin Matthews 6-7, 6-4, 7-6 and Scott Kidd 6-3, 7-5. Also entered in the competition were Daniel Bowden, Phil Boggan, Will Oggs and Rex Oggs.

## Tigers thump Geneva

The Elba Tigers pulled out to a 20-0 third quarter lead and held on to defeat the Geneva Panthers 20-14 last Friday night in Geneva.

The win upped Elba's record to 2-0, while Geneva, the state's top-ranked team in Class 3A, fell to 1-1.

Elba received the opening kick and moved quickly into Geneva territory behind the running of Michael Scott, only to lose a fumble that killed the drive. The Tigers got the ball right back on a fumble recovery by Todd Sanders, but they couldn't move and had to punt.

The two powers swapped punts until midway through the second quarter when Elba's Raynard McKinnon intercepted a Geneva pass and returned it to the Elba 44-yard line. The Elba offense suddenly came to life and drove 54 yards in 11 plays to reach paydirt.

A 21-yard pass from John Hudson to John Osburn was a key play in the drive, while Michael Scott got the touchdown on a two-yard plunge. Hudson's extra point was true, and with 2:34 left in the half, Elba had the lead for good at 7-0.

Geneva received the second half kick and a good return put the Panthers in excellent field position and they drove 39-yards in three plays left

Elba facing a fourth-and-one situation, and the Panthers gambled but lost, when Elba's Terry Ware recovered a bobbled snap at the 49-yard line!

The Tigers needed only seven plays to reach the endzone, with Michael Scott getting the touchdown on a 16-yard scamper. A big play in the drive was a 20-yard run by Scott on fourth and four, a play on which Scott was hit behind the line and broke a tackle to pick up the needed yardage. John Hudson again added the p.a.t., giving Elba a 14-0 lead with 6:37 left in the third quarter.

Elba wasted no time cashing in on the break, as on the first play John Hudson hit Mick Phillips with a 12-yard scoring pass. The p.a.t. attempt sailed wide, but with 4:07 left in the third quarter, Elba was in command 20-0.

The Elba defense totally dominated Geneva on its next series and then came up with a big play of its own, when on fourth down Todd Sanders broke through and blocked the punt and then recovered the ball on the Geneva 12-yard line.

Elba kept the ball on the ground on the break, as on the first play John Hudson hit Mick Phillips with a 12-yard scoring pass. The p.a.t. attempt sailed wide, but with 4:07 left in the third quarter, Elba was in command 20-0.

Elba seemed ready to blow the game open; however, they didn't punch it in for a score and turned the ball over on downs at the six-yard line.

A 20-yard run by Siran Stacey got Geneva out of the hole and sparked a 94-yard drive that resulted in a Panther touchdown. Stacey, only a sophomore, pulled in two passes for 46 yards during the drive to lead the way, while Michael Cade scored the touchdown on a three-yard run. The p.a.t. failed, leaving Elba with a 20-6 lead with 10:12 left in the game.

Elba took the ensuing kick and promptly began a march toward the Geneva goal behind the running of Richard McKinnon and the passing arm of John Hudson.

Elba drove down to the Geneva 19-yard line, but went to the air once too often as Geneva's Michael Cade intercepted a pass at the 16-yard line and rammed 69 yards to the Elba 15. One play later Siran Stacey scored on a 15-yard run, and after Stacey added the two-point conversion, Geneva was back in it, trailing 20-14 with 4:59 left in the game.

Elba kept the ball on the ground on its next series and ate up over three-and-a-half minutes of the clock, but had to punt, giving Geneva one final chance.

Todd Sanders broke through to hit Stacey for a six-yard loss on first down, and one play later Terry Ware jarred the ball loose from Stacey, and Jetey Wise recovered, wrapping up the 20-14 win.

Michael Scott gained 132 yards on 24 carries to lead Elba, while Richard McKinnon added 75 yards on 12 carries. Siran Stacey gained 59 yards on 11 carries for Geneva.

Defensively, Elba was led by Terry Ware (7T and 3A), Ken Ware (7T and 1A), Raynard McKinnon (7T and 1A) and Todd Sanders (3T, 2A, 2 fumble recoveries and a blocked punt).

## Zion Chapel pounds Samson

STORY AND PICTURES BY  
DANNY BELCHER

Zion Chapel spotted Samson an early touchdown and then came roaring back as the Rebels dumped the Tigers 28-12 at Zion Chapel.

The win evened the Rebels' record at 1-1, while the Tigers fell to 0-2.

Samson took the opening kick and made it look easy by driving downfield for a touchdown. The score came on a nine-yard pass from Hank Gilmore to Shon Rogers and although the pass failed, Samson was ahead 6-0 with 5:51 left in the first quarter.

Zion Chapel took the ensuing kick and moved the ball down the field behind the running of Tony Shiver, who notched the score on a one-yard run. Shiver added the extra point and with :02 left in the quarter the Rebels were on top 7-6 and on the march!

Zion Chapel continued to pound the middle of the Samson defense on its next possession and took a 13-6 lead with 5:19 left in the half on a three-yard run by Shiver.

The Rebels continued to dominate play in the third quarter and quickly added to their lead. A big play in the drive was a pass to Chris Carnley, while Shiver climaxed the drive with a 10-yard touchdown jaunt. Shiver's extra point was good, and with 7:04 left in the quarter the Rebels had built a 20-6 advantage!

Zion Chapel took advantage of a Samson fumble to score its final touchdown of the game, and made time it was Bobby Hill taking the honors with a 10-yard scamper. Tony Shiver bulled over for the two-point conversion, and with 5:49 left in the game Zion Chapel held a commanding 28-6 lead.

ZION CHAPEL'S Bobby Hill (2) looks for a hole as he cuts back enroute to a big gain against Samson.

## Brantley upset by Red Level

STORY & PICTURES BY  
BILLY WAYNE WILLIAMSON

The Brantley Bulldogs pulled out to an early lead, but later blew several chances to score and fell to the Red Level Tigers 14-7 Friday night in Red Level.

The win upped Red Level's record to 2-0, while Brantley fell to 0-2.

Brantley received the opening kick and drove 55 yards in 11 plays to take a quick lead. The drive was sparked by the running of Bernard Foster and Marvin Booker, and the score came on a five-yard run by Keith Dorsey. Dorsey added the extra point, and with 5:46 left in the opening quarter, Brantley was on top 7-0.

The Bulldog offense began another drive on its second possession and moved to a first down at the Red Level 25, only to be stopped on downs at the 21-yard line.

Red Level got a break late in the first half when it recovered a fumble on the Brantley eighty-yard line; however, the Bulldogs' Rodney Hall sacked the Tiger quarterback for a big loss, and one play later a fake field-goal attempt failed, leaving Brantley with a 7-0 halftime lead.

Brantley's Doug Salter intercepted a pass on the fake field goal and returned it 81 yards to the Red Level 16, but the half ended during

the runback and the Dogs didn't have a chance to add to their lead.

A good return on the second half kickoff put Red Level in business at the Brantley 45-yard line and led to a score. The touchdown came with 7:48 left in the third quarter when on a third-down-and-22 play Steve Harrelson fired a 35-yard touchdown pass to Eric Moody.

A two-point conversion failed, leaving Brantley with a slim 7-6 lead.

Brantley came right back following the score and moved to a first-and-goal at the Red Level two-yard line following a 49-yard run by Keith Dorsey!

The Dogs couldn't punch it in, but got the ball back at the 10-yard line when Red Level gambled on fourth down. The Bulldogs scored an apparent touchdown one play later on a nine-yard run by Bernard Foster, only to have the touchdown nullified by a penalty! Brantley couldn't reach paydirt again and came away empty-handed when a 39-yard field-goal attempt failed.

Red Level began its winning drive late in the game, a drive that covered 83 yards in 12 plays and was climaxed by a one-yard touchdown dive with only :33 left in the game. The drive was highlighted by the running of the Tigers, and it was Harrelson who scored to give Red Level its winning points. The two-point conversion was successful and Red Level had the win 14-7.

## Kinston Bulldogs hang 7-0 shutout on Wicksburg

STORY & PICTURES BY  
GREG BRUNSON

The Kinston Bulldogs traveled to Wicksburg this past Friday night and recorded their second win in as many tries this season. The Bulldogs seemed to be their own worst enemy in this game, as four critical fumbles cost them chance after chance to score; however, the defense played a superb ballgame and held the Panthers scoreless to preserve the

7-0 victory.

The first drive of the ballgame was by the Panthers and was aided by two Kinston fumbles on punts. The second fumble gave Wicksburg a first-and-goal on the eight-yard line, but the Bulldog defense rose up and forced a field goal attempt that missed wide to the right.

An exchange of punts gave Kinston the ball on their own 12-yard line. The Bulldogs picked up four

first downs on this 15-play drive which ended when Tim Gilley recovered the ball on the Panthers 22-yard line.

The next Bulldog possession also ended in a turnover as Matthew Hubbard fell on another Kinston fumble, but Glen Barnes got the ball right back as he intercepted a David Johnson pass. That was how the Bulldogs got the ball on the 47-yard line. Leroy Barron carried the ball twice for 29 yards, but the drive stalled at

the 10-yard line. Toby Reeves attempted a 27-yard field goal that missed, leaving the score at 0-0.

The Panthers again couldn't move the ball against the hard-hitting Bulldog defense. Alvin Henderson caught the punt from Lance Peters on his own 48-yard line and raced down the right sideline for 52 yards and the game's only touchdown. Toby Reeves kicked the

extra point, giving the Bulldogs a 7-0 lead with 1:54 to go in the third quarter.

Midway through the fourth quarter, Kinston got a big turnover as Leroy Barron recovered a fumble by Keith Sellers at the Bulldogs' 37-yard line. The teams exchanged punts again, and this gave Kinston a first down on the Wicksburg 44-yard line. Kinston had 11 plays in this drive that was highlighted by a 10-yard run by Alvin Henderson and a big 31-yard gain on a keeper by Glen Barnes. The Bulldogs tried a field goal, but the snap was mishandled, giving Wicksburg one more chance with the ball on the 34-yard line.

The Bulldog defense stood the test again as Paul Folmar intercepted a pass by Michael Cox to seal the victory and the shutout.

The Bulldogs had a very balanced rushing attack with Leroy Barron leading the way with 87 yards on 16 carries. Alvin Henderson pitched in with 67 yards on 12 tries, while quarterback Glen Barnes gained 52 yards on 11 tries. Paul Folmar also carried the ball 13 times, gaining 47 yards.

Keith Sellers led the Panthers with 22 yards gained on 11 tries.

Gamecock cheerleaders keep the spirit.

## Gamecocks fall to Ariton

New Brocton scored first and last; however, Ariton scored 23 unanswered points in between, as the Purple Cats downed the Gamecocks 23-14 in Ariton last week.

The win upped Ariton's record to 2-0, while New Brocton fell to 0-2. The Gamecocks drew first blood in the battle when they drove 34 yards to paydirt in the second stanza

following a fumble recovery by Phil Smith. The touchdown came on a two-yard run by Varrick Haynes, and was set up by a 14-yard pass from Jon Paul Sawyer to Keith Patterson and a 16-yard run by Mike Haynes.

Patterson added the extra point, which gave New Brocton a 7-0 lead, with 10:43 left in the half. The Gamecocks got a break one

play after the ensuing kick when Delane Holloway recovered an Ariton fumble on the Purple Cat 23-yard line. A penalty gave Brocton a first down at the 10, but the Gamecocks returned the favor by punting the ball back on the next play.

The Gamecock defense kept Ariton backed up; however, it did no good as New Brocton fumbled the punt and Ariton recovered at mid-field. The Cats moved to the 16-yard line and seemed headed go forward, but they had to settle for three points as Ronnie Stinson kicked a 31-yard field goal to pull Ariton within 7-3 with 3:05 left in the half.

The Gamecocks moved to three quick first downs early in the second half and crossed midfield, only to bog down and be forced to punt. Ariton put the ball in play on its 30 following a short punt and drove 70 yards in six plays to take the lead.

Two Gamecock penalties aided the drive, which was climaxed when Ronnie Stinson sneaked over from one yard out. Stinson added the

p.a.t., and with 5:35 left in the quarter, Ariton had the lead 10-7.

Ariton got the ball back on a punt only three plays later, and this time went 64 yards in only four plays to increase its lead. Kevin Bean gained 52 yards on two carries to spark the drive, while Stinson scored on a two-yard run. The p.a.t. by Stinson was accurate, giving Ariton a 17-7 lead with 1:45 still left in the quarter.

Ariton's James Flowers recovered a New Brocton fumble on the Gamecock 34-yard line two plays after the ensuing kick, and the Purple Cats again scored to grab a 23-7 bulge. It took Ariton seven plays to score, with Ronnie Stinson getting the touchdown on a three-yard sneak. The p.a.t. trailed, but Ariton had scored 20 points in a seven-minute span and was in command!

New Brocton's Jon Paul Sawyer came out passing on the next Gamecock possession and needed only six plays to get on the board. A 44-yard pass to Steffen Knox set up the score, which came on a six-yard pass to Varrick Haynes. Patterson's p.a.t. was true, pulling Brocton within 23-14 with 8:23 still left in the game.

Ariton ate up valuable time on a nine-play drive following the score and then intercepted a pass to put the icing on the 23-14 win.

Mike Haynes gained 99 yards on 27 carries to lead New Brocton, while Kevin Bean led Ariton on the ground with 81 yards on five carries.

The ESJC Summer Honors Program works - Billie June Rials, Samson, came during her Junior and Senior High School years and began Enterprise State with 22 quarter hours!

"I'm beginning my ninth year as a business instructor at Samson High and adding a Computer Literacy course this Fall - so I have a wonderful opportunity to preach the importance of continuing education. My time at Enterprise State was great. I began my freshman year there as an experienced student because of the honors program. I was very pleased when I transferred to Auburn to obtain my bachelor's degree. The instructors were surprised and pleased at my preparation from the College. I remember one economics instructor at Enterprise who was really tough, but when I took the second part of the course at Auburn I was ready for the work level and had a 100 average for the quarter!"

## THANK YOU

I humbly say "Thank You" to everyone who supported me during my recent campaign for Commissioner, District 4, Place 2. To those who voted for me on Sept. 4 I am deeply grateful. I ask for your continued support and vote in the run-off election on Sept. 25. I commend my two opponents who were eliminated on Sept. 4 for their interest in Coffee County Government. To you, those candidates who were eliminated, I sincerely solicit your vote and support on Sept. 25.

Thank You

**4-H'ERS ATTEND CONFERENCE.** These Coffee County youth were among 95 4-H'ers and leaders from 21 east Alabama counties attending the 4-H District 2 Natural Resource Conference in August at the Alabama 4-H Youth Development Center. They are (from front to back) Bret Bryan, Steven Bozeman, and Toby Lowry. The conference, sponsored by Kimberly-Clark Corporation, the W. Kelley Mosley Environmental Award and the Alabama Cooperative Extension Service, gives 4-H'ers a first-hand look into forestry, fish and wildlife activities.

**Mr. Lewis McInnis**, (right) holds a 39" banana squash he grew in his garden this summer. The yellow vegetable weighed 43 pounds. On the left is Van Bates, who is visiting Mr. McInnis, holding an 18" squash. (Mr. Bates grew up in the Kilcrease Community, but has lived in California since 1940.) McInnis, of the Ino Community, says the squash "are just as good as any yellow crookneck, when they're under 18 inches." They make pies out of this one. He says she makes the pies on the order of pumpkin pies.

### IT'S IN THE BAG

All kinds of people are brown bagging. In fact, over half of all the households in our country carry sandwiches to work, school, or wherever they are going.

All these people carry lunches for one reason or another. Some bag because they want control over the quality and quantity of what they eat, cut cost, save time, or to control calories.

With nutrition experts recommending that lunch make up one-third of our daily nutrition, that's clear that what goes into the brown bag is important.

Two slices of mixed-grain bread, used to package favorite sandwich fillings, supply important nutrients, including carbohydrates, protein, B-vitamins, iron, minerals - all of this with only 70 calories per slice.

If you would like sandwich filling ideas, call me at 894-5596. I will send you a sheet, giving many sandwich combinations.

### SAVE VEGETABLE STOCK

When you cook vegetables, whatever method you use, there is usually some liquid left in the boiler. Don't throw it away.

Since it is perishable, freeze it for later use. Use small containers so you won't have to defrost a large amount when you need only a small

### CHECK NOW

Now is a good time to begin checking peanut fields for nematode damage. In fact, fields which will be planted to peanuts in 1985 should be checked during the next six weeks. The best time to check a corn field which will be in peanuts next year is August through October. A peanut field which appears to be infested with nematodes should also be checked. If it is heavily infested, you can treat this field before peanuts are planted there again.

One of Auburn's pathologists pointed out something about nematodes: "They do their damage quietly and underground, and they do this both night and day. Sometimes their damage goes unnoticed, but they can still be costing 100 pounds or so of peanuts per acre."

Top peanut growers are staying up with nematodes, and they know those fields where losses are occurring. Keep a record on your fields. Send samples to the nematode laboratory at Auburn to get an accurate diagnosis on the numbers and types of nematodes.

### SOYBEANS

I checked a soybean field this week which belongs to John Henry Day. The field is located in the Damascus Community. Several days ago this field had a moderate number of worms. However, each day the numbers declined and Day got by without having to spray. This is true in a lot of fields. Just because there are worms doesn't mean you have to go out and spray them. Many times the worms will simply run their nose and disappear.

From pod set to maturity is the critical time for soybean insect control. Fields should be checked on a weekly basis. Shake a three ft. section of plants over the middle of the row. Many growers use a 3-ft. square drop cloth which they place on the ground in the middle. This makes counting easier.

**ROSES**  
We have copies of a new rose bulletin entitled "Growing Roses." This booklet gives information on kinds of roses, landscape uses, buying and handling plants, pruning, watering, fertilizing, pruning, insects, diseases and nematodes.

If you would like to have a copy of this, call us at 894-5596. We will put one in the mail to you.

**RATTLESNAKES**  
We are entering the rattlesnake season in Coffee County! I was

amount. An ideal way is to freeze the stock in ice cube trays. Transfer the frozen cubes to a plastic bag and put them in the freezer. You can easily remove a cube or two when making soup.

**PATTERNS**  
Last week I mentioned needing quilt and rooster patterns. I have located both. Now I will have these to share with my friend. Thanks to those who answered my request.

**FALL FASHION FOR MEN**  
Fall fashions for men are somewhat dressier this season than in previous seasons, according to the "Men's Fashion Association of America", which came to my desk the other day.

Business suits generally will be darker in hue and many fall suits will have bright - colored stripes woven into the fabric, giving them a feeling of depth. Look for a come-back of the double-breasted suit, vest with lapels, and sport coats with suede elbow-patches and leather trim.

The big fabric is flannel for slacks, in many weights and colors. "Pleats are gaining popularity. Shirts have many choices like the classic button-down, cutaways, rounded collars and a shorter designed collar.

**AVERY JACKSON**  
Pd. Pol. Adv. by Avery  
Jackson, Elba, AL 36323

At a meeting in Troy recently Mr.  
Johnson presented statistics  
showing an 18.3 percent return on  
loblolly pines vs. a 7 percent return  
on stocks during the same time  
period. There are also tax  
advantages when growing trees.  
Public Law 96-451 permits up to  
\$10,000 of capital reforestation  
costs each year to be amortized over  
a seven year period.

In addition to the benefits of tax  
breaks, growers are now able to  
produce the finished product sooner.  
Genetic improvement of species has  
caused a 15 percent increase in the  
growth rate of trees and saw mills  
are adapting their operations to  
smaller trees. It takes 20-35 years to  
produce a 12-14" diameter tree  
today whereas it took much longer  
before. Due to faster growing trees,  
producers are able to thin earlier  
which generates cash flow. In ten  
years after planting, landowners  
should see some return on their  
investment," declared Johnson. He  
also asserted, "there is no better  
way to save soil than to plant trees."

For those who are interested in  
planting this year the Alabama  
Forestry Commission is taking  
orders for trees now. The Soil  
Conservation Service offers technical  
assistance in woodland planning and  
conversion of cropland or  
pastureland in woodland. Call 894-  
6332 for more information.

I believe that no candidate alone wins an election,  
but it requires the help and support of many people.

Once again, I would like to ask for your help and  
support in the runoff election on Tuesday, Sept. 25.

Pd. Pol. Adv. by Bill Owens, Elba, AL

I would like to express my gratitude to you, the  
people of Coffee County, for the kind and great support  
given me in the September 4 primary. This support  
enabled me to be in a runoff for County Commissioner,  
District 3, for which I can only thank you, the people.

I believe that no candidate alone wins an election,  
but it requires the help and support of many people.

Once again, I would like to ask for your help and

## Elba Cub Scouts Retire American Flag In Sept. 10 Ceremony

BY: NATALIE KING

Monday night, September 10, heralded an event which will long be remembered by a special group of local boys. The Elba Cub Scouts retired the American flag that had flown at the Elba courthouse for the last year.

A hush fell over the crowd of approximately 200 as the ragged flag was lowered for the last time. A long trumpet sounded "Taps" as Old Glory was lowered, folded, and placed into the waiting fire.

Most who attended the rite had never seen an old flag retired, and patriotic tears were seen on the

faces of several spectators, and perhaps there was a lump in the throats of fifty or so boys as they stood at silent attention to honor their country's flag in a very unique manner.

Although most Americans know that the proper way to destroy a worn flag is by burning, let there be no mistake - this ceremony was to honor a flag that had served well. It was destroyed with dignity and with pride.

Participating in the program were all dens of Elba Cub Scout Pack 47, their leaders, the Elba

Richard Hobson who videotaped the entire ceremony for the Scouts, Cal Calloway of WSEA-TV was also present, and the local event was given state-wide attention on the ten o'clock news that evening.

Cub Scout members by den are: DEN 2: Daniel Bowden, Kevin Bryan, Phillip Compton, Robbie Dodson, Joey Donaldson, Kevin Grogg, Stanley Horstead, Chris Howell, Vince Hudson, Eric Simmons, \*Sherry Bryan, \*Janice Donaldson

DEN 3: Ritchie Bedsole, Brett Bimbo, Ron Bryan, Grant Coleman, Kevin Dewberry, Jason Free, Shannon Graham, Rex Oggs, Kereme Woods, \*Novelle Dewberry, \*Tommy Dewberry

## Coffee County Voters Return To Polls Tuesday In Runoff Election

Coffee County voters will return to the polls on Tuesday, September 25, to elect three county commissioners, and voters in Elba will also get a chance to pick a constable.

In the county commissioners' race in District 1, political newcomer Jimmy Bryan will attempt to unseat

incumbent Gilmer Grant. Bryan was the frontrunner in the September 4 election, with 2,448 votes, while Grant, seeking his third term, polled 2,032 to make the runoff by only 10 votes over Leon Smart.

In District 3, incumbent Rex Beckham will be seeking his third term in office and will be opposed by

Billy Paul Owens. Boutwell received 2,384 votes in the primary, while Owens received 1,653. The other two candidates totaled 2,469 votes.

The District 4, Place 2 race will pit former commissioner Bennie Beckham against Sid Averett. Beckham polled 2,927 votes to lead the September 4, election, while Averett received 2,041. The other two candidates polled 1,616 votes.

The Beat 6 constable post will also have a runoff, with longtime incumbent Avery Jackson being opposed by former Elba policeman Pete Daugherty. Jackson led the original voting 498 to 394.

Approximately 7,000 voters took part in the September 4 election and fewer are expected to vote next Tuesday.

## \$50,000 Recreation Grant Approved

Alabama Congressman Bill Dickinson has announced that the U.S. Department of Interior has approved a grant of \$50,000 for the development of the third phase of the Hawkins-Williams Recreation Park.

The federal funding will be combined with \$171,400 in state and local funds to construct pool facilities at the park. The facilities will include a 75'x45' swimming pool, a

36'x37' diving well, a 10'x14' wading pool, lifeguard facilities, one- and three-meter diving boards, a bathroom with showers, a 20'x40' pavilion, 15 picnic tables and 10 barbecue grills.

"I am very pleased that these funds have become available," said Rep. Dickinson, "because they can be used to enhance the use of Hawkins-Williams Park."

## Correction

In last week's front-page article on the Elba City Council meeting, a typographical error was made in the paragraph pertaining to the Elba Hospital Authority. The paragraph should have read:

The Elba Hospital Authority hasn't yet paid any money to the city from the lease of the facility to National Healthcare, and English said he didn't know when to expect any money, as the Board hadn't given any indication of when they would release the funds already received from National.

## Elba Dentist Dies Wednesday
